As you may know, some states use the federal health insurance marketplace, while others states have a partnership with the federal health insurance marketplace. If the Supreme Court rules that financial help to buy health insurance is only available to low and moderate income people in states with state-run marketplaces, do you think your state should create its own marketplace, or do you think your state should not create its own marketplace?

- Yes, I think it should
- No, I think it shouldn't

The U.S. Supreme Court is deciding a case that could undermine the entire health care law by blocking federal subsidies that help some low and moderate income Americans pay for their health insurance. Do you think the court should take this action, or do you think the court shouldn't take this action?

- I think it should
- I think it shouldn't

You may have heard about the idea that the world's temperature may have been going up slowly over the past 100 years. What is your personal opinion on this? Do you think this has probably been happening, or do you think it probably hasn't been happening?

- Has probably been happening
- Probably hasn't been happening

There are always some people whose ideas are considered bad or dangerous by other people. For instance, somebody who admits that he is homosexual... Suppose this admitted homosexual wanted to make a speech in your community. Should he be allowed to speak, or should he not be allowed to speak?

- Yes, allowed
- Not allowed

Should such a person be allowed to teach in a college or university, or should such a person not be allowed to teach in a college or university?

- Yes, allowed
- Not allowed

If somebody in your community suggests that a book he wrote in favor of homosexuality should be taken out of your public library, would you favor removing it, or against removing it?
